A "beeline," as you know, is a fast, direct route. When foods follow a "beeline" from producers . . . from growers and processors . . . to retail stores, expense is saved. Many usual charges for handling and part of the expense of transportation are cut from the cost of bringing foods from their source to you. A&P is an old hand at finding "beeline" ways to bring you the best of the Nation's good things to eat. That is why so many thousands of American families depend upon A&P to bring them the very utmost for their food dollars. And remember this, please: A&P will continue to search for new and more efficient methods . . . to save you money.

## WAR FUND

When the Japanese attacked Pearl Harbor in December, 1941, there were approximately 100 students on the Heights attending the College and Business School. In February, 1944, there were a little over 300 plus about 300 soldiers. In April, there will be less than 300 students and no soldiers. The graduate schools are suffering in about the same proportion. Since Boston College is not endowed, it unhappily faces a serious financial situation in a struggle to survive. Because Boston College must survive to serve the community now and after peace, Father Rector was obliged to seek the only solution possible, solicitation of enough

money to overcome the rising deficit. He asked the Alumni to share his burdens with him and thus has started the War Fund.

Jeremiah W. Mahoney, '21, past president of the Association, has been appointed Chairman of the campaign. Assisting him as Vice-Chairmen are: Rev. Anthony P. Laverty, '17, Henry A. Kievenaar, '29, and John B. Atkinson, '16. In addition to the Alumni Group, the campaign will also receive the support of the Alumnae Association and the Philomatheia Club.

When the plight of the College became known, His Eminence, William Cardinal O'Connell, generously presented \$5,000 to Father Rector, and thus was the first contributor to the 1944 War Fund.

## WAR FUND

When the Japanese attacked Pearl Harbor in December, 1941, there were approximately 100 students on the Heights attending the College and Business School. In February, 1944, there were a little over 300 plus about 300 soldiers. In April, there will be less than 300 students and no soldiers. Because Boston College must survive to serve the community now and after the war, Father Rector was obliged to seek the only solution possible, solicitation of enough money to overcome the rising deficit.

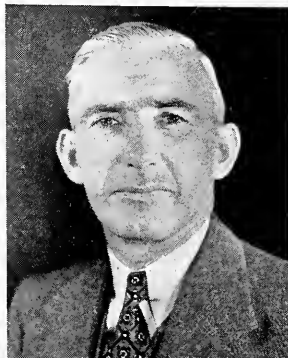

JOHN A. CANAVAN, '18  
President, Alumni Association

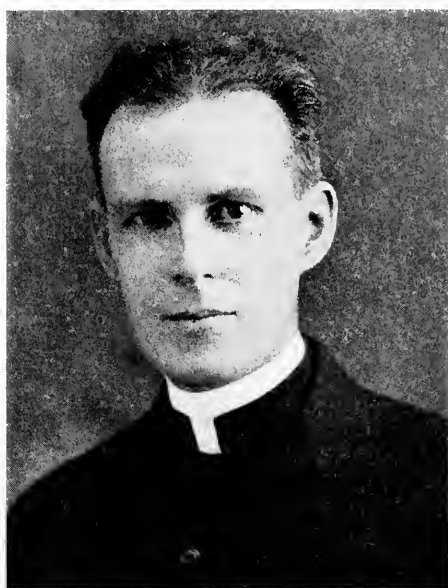

He asked the Alumni to share his burdens with him and thus has started the War Fund.

Jeremiah W. Mahoney, '21, past president of the Association, has been appointed Chairman of the campaign. Assisting him as Vice-Chairmen are: Rev. Anthony P. Laverty, '17, Henry A. Kievenaar, '29, and John B. Atkinson, '16. In addition to the Alumni Group, the campaign will also receive the support of the Alumnae Association and the Philomatheia Club.

When the plight of the College became known, His Eminence, William Cardinal O'Connell, generously presented \$5,000 to Father Rector, and thus was the first contributor to the 1944 War Fund.

VERY REV. WILLIAM J. MURPHY, S.J.  
President of Boston College

Shortly afterwards, the second contribution was received from a member of the armed forces, Private Hubert Cincotti, '41, U. S. A. Also among the first to answer the call was the oldest graduate, Rev. Daniel C. Riordan, of the class of 1879. Many others responded immediately, but limitations of space prevent mentioning them. However, at a later date, a complete record will be published. As the issue goes to press \$25,000 have been received.

At this time the following statements have been issued:—

#### FATHER RECTOR

"By this time the letter on the War Fund has been received by all of the Alumni. The College needs your assistance. The tower and spires are not about to tumble; the chapel is not sinking; but there is a threatened cave-in of the academic walls. Every possible new plan of operation has been put into effect; every consolidation and economy effected; but the hard fact remains — the source of students is running dry.

"The first scope of the WAR FUND was based on the promise that an Army Student Training Unit would be part of the College during the War. We were aiming at a goal of not less than \$100,000 each year. While the letters to you were in the mail, the War Department announced that the imperative needs of the armed forces could be met only

by the termination of the college program. The needs of the Army come first; its duty is to win the War with the smallest possible loss of life, not to save higher education. Its fold. It is our duty to save higher education needs have increased our initial problem threefold at Boston College.

"In the years to come the vast plans for rehabilitation throughout the world must be put into effect — many millions to be clothed and fed, agriculture, industry and domestic life to be restored over great and populous areas. When the nations finally lie exhausted physically and morally by the long violence of war, the great spiritual combat must commence that men may be made over to the ideals of justice and charity and peace and faith in God. But it is not sufficient for us to wait idly for the future, envisioning our part in a cosmic sense. We must begin with those things that are close at hand and can now come under our control. We must preserve those values, ideals, institutions, which, once lost, will be regained, perhaps not at all, or only in a feeble form, or after years of wasful effort.

"For many years our College has built strongly, extending its influence in ever widening circles from the central care of Faith. We cannot permit this to be broken. In the abnormal violence of the moment the values that the College stands for may seem to be of little immediacy, but tomorrow they will be needed as never before.

**"Three things are asked of each one.**

**"First, that you yourself make a contribution to the War Fund.**

**"Second, that you interest others in doing likewise. Send into the Rector's office the names of people who in your opinion would be willing to aid the College. It is not expected that this list be made up only of people who can make a large contribution.**

**"Third, that you act now. Up to the present the return envelopes have been coming in somewhat slowly.**

"To the men who are wearing the uniform of our country, I should like to address this particular message. Our first thought was that your names should not be included in the list of those to whom the appeal was to be made since you are doing so much already. But our second thought it seemed that many of you would not wish to be deprived of this opportunity of making your offering of devotion. Be assured that, if you cannot subscribe, your position is completely understood, and that some other Alumnus will pledge his aid in your stead."

"Lastly, I wish to make these grateful initial acknowledgments:

"To His Eminence, whose swift approbation and most generous contribution was the surest augury for the success of this appeal.

"To the members of the Alumni Board and

**BOSTON COLLEGE**

the other representatives of the Alumni, whose enthusiastic devotion has all but taken this campaign out of my hands."

## JOHN A. CANAVAN

ellow Alumni:

"It was with mixed emotions that I assumed the presidency of your great organization. I deeply appreciated the high honor but at the same time I was fully conscious of my own limitations — and they are many. Especially was I greatly impressed by the fact that a global war was on in which Boston College must play its noble part and likewise experience the evil effects of such a gigantic upheaval.

"As we all know, my apprehensions have become realities. Boston College has a proud record on land, sea and in the air, unmatched by any college in the nation of comparable size. My very dear classmate, Commander Jack Shea, has left us a glorious heritage. Boston College has countless Jack Sheas.

"Our Very Reverend President, Father Murphy, has clearly outlined to us the critical difficulties with which the college is confronted. The daily press informs us that perhaps all the military students will have been withdrawn from us by the first of April and, as our President has pointed out, not more than 300 can be expected to be in attendance during the remainder of the war.

"These then are times which demand deep-seated loyalty to our Alma Mater and unflinching courage to carry out the plans being carefully laid to meet this distressing period. We at home owe it to the college and to our legion of young men now in every quarter of the globe to see to it that these plans do not fail. We cannot fail. We can, we will, we must stand by our college in this, every time of need."

## JEREMIAH W. MAHONEY

"The Jesuit Fathers first opened the doors of your College in the midst of the Civil War, on James Street, Boston, and at its birth, the college was in debt. Despite the heavy taxes, and the other economic handicaps of the times, the doors of your College were kept open, and the university on the hill was made possible by the sacrifices of the Catholic immigrant families of Metropolitan Boston.

"The second world war has precipitated a second crisis in the growth of the College and threatens its very existence. The Rector has appealed to you and to me, and the responsibility is ours. The College needs \$300,000 now — we alumni must respond, promptly and generously.

"We urge action by personal contributions, and by solicitation of your classmates, your

WILLIAM CARDINAL O'CONNELL  
Archbishop of Boston

ellow alumni and the numerous friends of the College, and when Father Rector reports to you the details of a job well done, you and I will take just pride in our sacrifices for God, and for our College."

# THE WAR

In another part of this magazine statistics are printed revealing the number of Boston college men serving in this war and also the number dead. Elsewhere is a list of chaplains serving their country and their fellow Catholics. In the November News a list was printed showing 73 graduates to be in the F. B. I. Every issue has also contained a summary of the deeds of our men who answered the call of their country. From day to day reports reach the Alumni office from all over the world. No area can be mentioned without bringing to mind some B. C. man who has served well.

Assimilating all the facts and figures after two years of war the general picture becomes clear, Boston College has a record equalling any college in the country. The feats of valor in the hearts of all who have gone to this Catholic institution with pride. In addition to serving their country gloriously, our men have admirably exemplified the teachings of their Religion. It cannot be repeated too often, Boston College has reason to be proud.

When the first clouds of war broke over Pearl Harbor in December, 1941, two of our men were present in Hawaii who were later commended for their bravery there, Lieut. Joseph A. Groden, '40, USNR, and Lieut.-Colonel James J. Flood, '39, Army.

In the Philippines, Lieut.-Commander Lawrence J. McPeake, '23, USN, was present and has been missing ever since. Then there was Lieut. George T. Trudell, '36, USN, who won the Silver Star Medal. He is a Jap prisoner.

Lieut. Patrick H. Rafferty, '42, Army, was also captured. Dr. Arnold J. O'Donnell, '39, a dentist with the rank of lieutenant, was likewise captured, and died in a Jap camp on June 11, 1943. One of the last men out of the Philippines was Lieut.-Colonel Warren J. Clear, '18, who had gathered important information about the Japanese, for which he received the Distinguished Service Medal.

The scene shifted to Midway when the Navy swung into action. Here Aviator Lieut. John J. Lynch, '33, USN, won the Navy Cross for securing two hits on a cruiser. (He later won the Air Medal and the Distinguished Flying Cross).

Then came the Solomon Islands and the Marines. Buried there are Lieut. Charles F. Conlan, '31, Captain Edward L. Foley, '39, and Captain Richard A. Kelly, '39. Receiving honors were Lieut.-Colonel John F. Dobbin, '33, Lieut. John B. Doyle, Jr., '40, Lieut. John J. Gately, '41, Major Thomas J. Cross, '40, and Captain Gerald F. Russell, '40.

About the same time the Aleutians were in danger. Captain Walter J. Brickett, '40, Army Air Corps, received the Air Medal for services in this area. He was wounded. When the Japs were driven out finally from Attu, Chief Commissary Steward William A. Ward, '31, was present.

In September, 1942, the famous battles in the Pacific occurred, when the aircraft carrier the "Wasp" went down. Commander John J. Shea, '18, lost his life and received the Navy Cross posthumously. Two other men also

Lieut. William H. Broley, '39, Army Air Corps, received the Air Medal for his part in the raid over Bremen, April 18, 1943. In a later raid he failed to return. Captain Arthur V. He has also received the Air Medal and Silver Star.

In the battle of Tarawa four B. C. men were known to be present. With the Marines were Captain John T. O'Neill, '38, Captain Martin F. Barrett, '41, and Captain Frank A. Stanton, '41. After the christening ceremony, in the presence of Captain Grady, USN, Commandant of the Navy Yard, and Chaplain McFadden, USN, the ship was commissioned. **Richard E. Lynn, '45, Sgt., Army Air Corps.** Stationed in England he has been missing in action since January 9, 1944. He has received the Distinguished Flying Cross and Air Medal plus three oak clusters for bravery in the raid, October 14, 1943, on the ball-bearing factory at Schweinfurt, Germany. He has also received the Purple Heart for injuries in the same raid.

## HONORS

**James M. Anderson, '40, Lieut., USNR, Purple Heart.** Injured when the U.S.S. Buck was sunk off Salerno, October 9, 1943. He has been in an Army hospital in Italy.

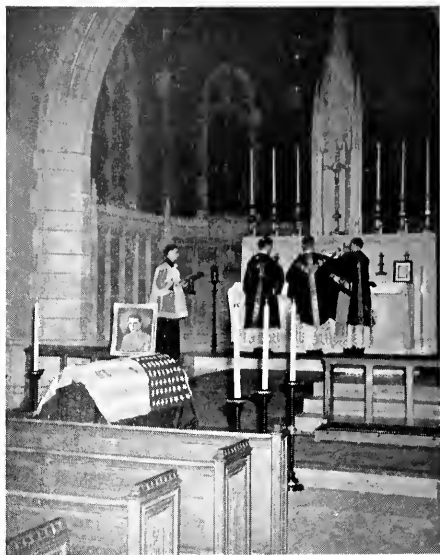

**James V. Smyth, '42, Private, Army.** Silver Star Medal for gallantry in action at Guadalcanal, November 21, 1942. "Participating in an assault on the enemy's line, Pfc Smyth suffered a head wound from hostile rifle fire. The bullet pierced his helmet and scalp, causing shock, pain and great discomfort. Although he could have returned to the rear for immediate treatment and rest, Pfc Smyth chose to remain in the field of action with his comrades where every man was badly needed. Thus, by his bravery and tenacity of purpose, this soldier contributed immeasurably in bolstering the morale of his fellow soldiers in a trying situation."

**Edward V. McCarty, '43, Lieut., USNR.** Air Medal received as a member of a squadron of five bombers in combat against the Japs between April 26-July 28, 1943, in the Solomon Islands area. "Despite heavy anti-aircraft fire the pilots daringly attacked Japanese shore installations and shipping, and by aggressive and courageous airmanship inflicted severe damage on the enemy. On July 17 he participated in a raid against hostile shipping in the strongly defended waters off Kahili, and, pressing home his attack with deadly accuracy and grim determination, assisted his squadron in sinking four destroyers and in severely damaging a light cruiser." Lieut. McCarty has returned to his country and is stationed at Wildwood, New Jersey. His brothers are Corporal John F., '39, Law, '42, and Private Paul T. McCarty, '46, Army.

**John A. McMahon, '42, Sgt., Army Air Corps.** Air Medal and nine oak leaf clusters for services over Europe. He has completed fifty missions, the first over Cagliari, Sardinia, last May, the last over Athens about three months ago. He has returned to this country.

**Thomas von Holzhausen, '44, Lieut., Army Air Corps.** Air Medal for ten sorties over enemy territory.

**Daniel J. Taylor, Intown, Captain, Army Air Corps.** Air Medal and two oak leaf clusters. Fire control officer on "Dumbo the Avenger".

Pro-Burial Mass celebrated for PRIVATE FRANCIS J. CATENACCI, '39, Army, at St. Mary's Chapel in January.

(B-24 Liberator), he flew from a Hawaiian base to raid Wake Island in 1943.

**Louis J. Kidhardt, '40, Captain, Army.** Silver Star Medal for gallantry in action at Guadalcanal, December 19, 1942. "As leader of regimental intelligence platoon, Lieut. (since promoted) Kidhardt performed aggressively in combat against enemy forces and obtained vital information of enemy combat techniques which later proved of inestimable value to units of his division. While under constant enemy fire Lieut. Kidhardt assisted in killing several enemy snipers. All at times he displayed complete disregard for his personal safety and by his outstanding performance of combat leadership materially assisted in the successful culmination of operations on the island."

## VARSITY CLUB DINNER

The annual Varsity Club dinner at the Statler on January 9 was anything but a confession that the war had overwhelmed and destroyed B. C. spirit. First of all there was a fine attendance. There was a noticeable (and not disregarded) absence of the younger graduates, and a plethora of grave and reverend seniors (remember your Merchant?) But the spirit and enthusiasm were as real as ever, and even the number of paid admissions was noticeably high. Many of the active alumni of the past were present, and many who had quietly supported the College. All had gathered to join in tribute to the "informal" football team which carried the colors of the school last Fall on the gridiron. Even in these days of military service and rationed travelling the audience was large and worthy of record.

Secondly and chiefly, there was a display of pride and joy in the fine record of the 1943 football club. At the dinner (and of course in this report) there was not the slightest invidious comparison with the big-time players and teams of the past. Our greats are as great as ever. Witness the pride at having "Fitz" back. But this year there was the special satisfaction of honoring a team composed of more average boys, boys more like the rank and file of the alumni, boys not gifted with giant stature and weight and speed and strength, boys that never in the days of nationally known elvens would have merited time or consideration.

Lastly, the speaking was excellent. From the brief, beautifully phrased words of Father Cow, through the always thoughtful and thought provoking remarks of Father Rector, through the tributes of the Navy (Lieut. Commander William M. Cashin, '18, and Lieut. Commander Edmund H. Barry, '24) and the Army (Major John R. Canavan), through the concise remarks of Dean Mulcahy, through the humorous speech of Arthur Siegel of the Boston Traveler, through all of these speeches the head table gave the listeners a varied and ever interesting evening. It was a joy to have "Jimmy" Fitzpatrick present to bestow a "B" on Mayor Tobin, and to hear the lively introductions of "Gerry" Coughlin, '23, and two mainly talks by quarterback "Eddie" Doherty and Coach "Moody" Sarno.

While in the mood for compliments, "Tom" Scanlan, '20, President of the Varsity Club, and John S. Keohane, '14, chairman for the evening, should not be forgotten.

Finis to an informal report about informal football.

## INFORMALS

"Physical education for all," is the slogan of John P. Curley these days. In addition to the ASTP group, Mr. Curley has directed the training of the civilian students to have them in good physical condition when they enter the service.

Competitive intercollegiate sports are reduced to a minimum. Jack Ryder's small track team has entered several meets this winter with fair success. There is an informal basketball and hockey team. The informality of it all is demonstrated by the type of opposition and the scores. The basketball team has played B. C. High and the Timothy Smith Club. The hockey team has met Watertown High School (5-2), Newton High School (6-8), and the '97" Club (0-13). It has also played one college, Holy Cross, losing 2-1.

Followers of B. C. were saddened by the death of Dr. Frank Merrick, '27, for several years assistant physician for the Athletic Association. Despite the many blood transfusions given by the students both in the civilian body and Army group, Dr. Merrick died in January. R. I. P.

## 1914

**JOHN S. KEOHANE**  
12 Acacia Avenue, Chestnut Hill

 **Father Eric MacKenzie** was host to the class at a dinner at the Hotel Statler the evening of December 8. Twenty-two were present. During the evening a suitable presentation was made to the Reverend President as a memento of the occasion.

**Lea Grueter's** boy is in the Marine Corps, and is a veteran of the Battle of Tarawa.

We have received the good news that **Father John Dwyer, S.J.**, of Holy Cross, is rapidly recuperating from a severe illness at St. Vincent's Hospital, Worcester.

We heard recently from **Father Charlie Brown**, pastor at Belfast, Me., where he seems to enjoy the rigorous climate of "Down East."

Congratulations to **Father Tom Ford** on his promotion to the pastorate at Saugus. Likewise, best wishes to **Father Dave Twomey, O.S.B.**, of St. Anselm's College, who celebrated his Sacerdotal Silver Anniversary in December.

The class was well represented at the Varsity Club football dinner, helping to fill four tables. Did some occupy two chairs? **Father Tom Hegney** brought a contingent from Holbrook. **T. Edward Fitzgerald** made one of his too infrequent appearances at Father Eric's dinner. We hope some of the less frequently seen classmates will try to attend our next semi-annual affair after Easter. Notice will be sent in due time.

We hear good reports of **Father Joe Sullivan's** efforts at scientific poultry raising at Weston College.

The class plans to celebrate its Thirtieth Anniversary by cooperating with Father Rector and his War Emergency Fund. It responded on the Twentieth and Twenty-fifth Anniversaries, and will not be found wanting now.

Francis X. O'Sullivan (Bill's boy) graduated from Cranwell Prep School and has enrolled in the new Freshman class at the Heights.

John K. Kopples, Jr. entered the

Coast Guard Academy at Hyannis to prepare for a commission.

**Edward A. Sullivan**, the talented president of State Teachers' College at Salem, figured prominently in the historic part of the President's dinner of the Clover Club in January.

## 1916

**JAMES L. O'BRIEN**

41 Pondred Circle, Jamaica Plain

 We extend our sincere regrets to **Pot Donovan** on the loss of his father. It was my privilege to know him once; he was certainly a fine Catholic gentleman.

The Class of 1916 made the headlines. On December 27, 1943, we held our 27th annual banquet and **George Corens** of the Traveler devoted his whole column to the members of the class.

When twenty-three members showed up at **Leo Daly's** banquet it made quite an impression on George and he decided to find out something about us and his article is the result of his research.

**Ed Coffey** missed the banquet for the first time since 1916. He had a

important School Committee meeting and couldn't come to Boston.

Illness kept **Charlie Hurley** away from us and Charlie says it was his first absence. We all hope that Charlie will soon recover and we may see him at our retreat.

**Rev. John Cunningham** was elected President for 1944. Leo Daly said that it took him 27 years to be president. It took Father Cunningham 28 years. You have to be real good to be President of 1916.

**Joe McOwen** hasn't been to his office for 18 months. He's now living in Larchmont N. Y., and the doctor is making him take a real rest. He didn't miss the banquet. There's the spirit of 1916.

Your reporter's boy has left B. C. and is in the ASTP at the University of Connecticut.

## 1917

**THOMAS D. CRAVEN**  
12 Mellen Street, Dorchester

This correspondent has received a fairly prompt reply to his circular letter asking the class members for news of themselves. Those not heard from are cordially requested to sit down and send the news along.

We are happy to report that **Father Tony Laverty** is recovering very satisfactorily after an operation early in January. He is up and around.

Our condolences are extended to **Tom Kinahan** on the death last December of his father. Tom is with the Thomas Edison Co. of New Jersey and resides in Quincy.

**Joe Dee** informs us that Joe, Jr., is with the A.S.T.P. at Louisiana State University.

**Lapoleon Vigeant** has recently been appointed District Judge in Chicopee. Some time ago "Nap" was Canteen Officer at Camp Edwards when the U. S. D. was there and later he was stationed at Camp Edwards with the rank of Lieutenant-Colonel.

We are pleased to report that **Dr. Tom Gray**, who has been ill for some time at a Holliston, has recovered to the extent that he is able to practice again. From Rogers High School, Newport, Maine Director of Athletics, **Joe Nevins**, informs us that in his spare time he makes a turn with the Coast Guard Reserve and gives five nights a week at the U.S.O. in the skating rink. This rink was Joe's before the army

took over the building. His daughter is president of the sophomore class at Pembroke and his son is an athlete in junior high school.

**Father Frank Caffrey, M.M.**, extends an invitation to any B. C. men in the service near Los Angeles to give him a call at the Maryknoll House, 426 South Boyle Avenue, Angelus 6349. "There's always a bed and a meal for any of the lads." The B. C. Club of Los Angeles included Myles Connolly '18 and **Bill Parker**. To this has been added McVay '14, who took part with Pat O'Brien in a radio broadcast of "The Iron Major."

**Eddie Tracy** has returned to his office in the Bureau of Old Age and Survivors' Insurance after a month's illness at home. Ed's office is the second largest in New England.

## 1918

**JOHN M. O'LOUGHLIN**  
631 Fellsway, Medford

**Harold Anderson** reports from New York that his son, Paul, 19, is in the Amphibious Forces of the Navy in England. His son, John, is also in the Navy.

Better late than never, **Dr. Ed. Smith** is a lieutenant commander in the Navy.

Although the class contributed generously to the College on the occasion of our 25th anniversary, **John Conavan** and **Bill Cashin** wish us to be well represented in the present drive just started by Father Rector.

## 1919

**FRANCIS J. ROLAND**  
11 Beacon Street, Boston

The Class began to make plans for the celebration of its Twenty-fifth Reunion on January 13, 1944, at the home of **Dr. Edward L. Kickham**, Class President. The members of the Reunion Committee met to formulate "Ways and Means" and to approve a tentative schedule of events to be presented for the approval of the Class at its Annual Meeting.

**Bill Kirby**, Secretary, is issuing a call for the meeting of all the members of the Class, both Alumni and Ex-men, to be held at 3 P. M. on Sunday, February 20, 1944, at the Copley-Plaza Hotel. Notices are being sent to all members in accordance with the most recent addresses on file with the Alumni Secretary. In the

event that any member fails to receive a notice let this memorandum act as a summons for him and for other members of the Class whom he may chance to meet in his travels.

## 1920

**J. ROBERT BRAWLEY**  
30 Garden Street, West Roxbury

"Numquam non paratus." I held a few up my sleeve for this issue and so I am able to give you **Johnny Clark**, **Gus Donovan** and **Joseph Degnan**, all on the faculty of the High School, with **Jimmy Walsh** holding forth in his emporium in Lawrence.

"Enfants perdus." We change to an old song to ask, "Has anybody here seen **Roy Champagne**, **Ed McKeown** or **Ed Gervais**?" If anyone knows where they are, contact the Lost and Found Committee of the class.

West Roxbury gives us **Elias Shamon**, appointed by Gov. Saltonstall to the bench (Municipal) and **Joseph White**, named as one of the vice-chairmen on the 1944 Red Cross War Fund Drive.

South Boston has **Father Dan Flynn** as chaplain of the K. of C., and further south finds **Father Leo G. Burke** teaching at the Choate House of Studies in Washington. **Father John Lane** is busy on the twenty-fifth anniversary of the class, meeting regularly with **Paul Tray**, **Bob O'Connell**, **Eddie Higgins**, **Gerry Cleary**, **John Clark**, **Gerry Kellaher** and **Frank Dillon**.

That's all!

## 1921

**GORDON F. IRONS**  
9 Emmonsdale Road, West Roxbury

**Dr. George H. Cleary** has been commissioned a captain in the Army Medical Corps.

**Charlie Coyle** is now executive director of the Boston Hotel Association. Congratulations, Charlie. He recently moved into St. Ignatius' parish and feels right at home.

**Eddie Drahan** is a night editor on the "Boston Post" staff.

The Varsity Club awarded Mayor Maurice J. Tobin a varsity "B" at its annual football dinner held at the Hotel Statler January 9. The presentation was made by our own **Jimmy**

**Fitzpatrick**, who came down from Portland for the affair.

The Denver "Register" (Denver, Colorado) on January 30 contained a long article by Nat Hasenfus recalling some of **Jimmy Fitzpatrick's** football and baseball exploits. Modest Jimmy can never be praised too much.

**Herbert Kinsella** was a participant in the Regional Conference on Intercultural Education held at the Hotel Statler January 15.

**Bernard McGrath's** son is in the Army Air Corps in Texas. Bernie's daughter is a nun in a New York Convent. **Rev. Francis V. Sullivan, S.J.**, is now a lieutenant-commander. He is stationed at William and Mary College, Virginia, and is an instructor at the Navy Chaplain School. Previously he spent some months on active duty in the South Pacific.

In one of Bishop Spellman's letters recently published in the "Globe," mention was made of his visit to the Jesuit College at Baghdad. Two of the Jesuits he saw there were **Rev. Francis B. Sarjeant**, who is in charge of the college, and **Rev. Charles T. Mahon**. A group picture of the faculty accompanied the article.

The sympathy and prayers of the class are extended to **Rev. George P. McCaigan**, whose father recently passed away.

**Jim Cox** is working for Raytheon in Waltham.

**Major Harold Sullivan** is stationed at Fort Logan, Colorado.

## 1922

**NATHANIEL J. HASENFUS**

15 Kirk Street, West Roxbury

 The class was very sorry to hear of the death of Rev. Aloysius Hogan, S.J., at Washington. Father Hogan was a true friend to many of us. Add to the class members guaranteeing or sponsoring "Athletics at B. C." the names of **Rev. James H. Doyle**, **Rev. William Lang**, **Rev. John Considine**, and the family of the beloved **John F. Carey**. . . . Seen at the Statler on the evening of the Varsity Club dinner was **Capt. Lea Motley** of the Marines, who is doing splendid work as liaison officer along the eastern seaboard. **Capt. Motley** spoke very glowingly of the B. C. Marines and said that their outstanding work has bought real honor to the college. **Major Timothy McNerney** has been promoted to the rank of lieutenant-colonel in England. His work as Army

historian in charge of writing the history of World War II well reflects the training he received as Editor of the "Stylus" and as a feature writer on the "Boston Post." . . . **Corporal William Whall** is doing splendid work in the Medical Corps in England. . . **Lieut. Frank Daly** is returning to the United States for reassignment. . . **John Furlang** is now residing in Ohio. . . . Congratulations to our able classmate, **Arthur Frawley**, whose overwhelming victory that made him Mayor of Lynn was a source of joy to us all. Arthur won by an amazing triumph of almost four to one. May his tenure of office lead to even higher honors! Congratulations, too, go to **Henry Smith**, now member of the Board of Directors of the Boston Braves. Henry, as Trustee of the Boston Elevated, as Chairman of the War Salvage Committee, as District Chairman of the Red Cross, as member of the staff of Hornblower & Weeks, is one of Boston's busiest citizens. . . . Congratulations to **John White**, too, on the birth of a son in September. . . . Among the ex-men in new assignments are **Rev. Frank Keegan**, now at St. Andrew's in Forest Hills and **Rev. Francis Curley**.

## 1923

**FRANCIS L. FORD**

26 Ellison Avenue, Dorchester

 Once again we look forward to Laetare Sunday, which, this year, occurs on March 19. According to our custom we shall assemble on the Heights for Mass and Holy Communion, and afterward adjourn for breakfast, election of officers, and a gob session at a nearby hotel. Last year this twenty-year-old tradition was almost broken, but the spirited action of a few members of the class brought together about a dozen members who resolved that in the future there would always be a Laetare Sunday. You will hear more about this in early March.

A letter from **Jahnnny Keyes** informs us that he has been in the Navy since November, 1942. First tried Radio School and later changed to Mail Specialist handling the mail of over 3700 men and 300 ships. Likes his work very much and has been fortunate with frequent leaves — in fact, on one of his December leaves he went and "did it" — became married. "Incidentally," he writes, "Lieut. John Youchoes (old No. 10) is the Postal

Officer here and is a swell fellow." Johnnie gets the "Alumni News" and is very desirous of hearing from his classmates. His address: John F. Keyes, Sp. (M) 3/C; U. S. N. Section Base, Tompkinsville, S. I., N. Y.

A Christmas greeting from **Lieut. Edward F. Gargaty, U. S. N. R.**, places him back at Colgate College where he is in charge of the Recognition Department. Address him at Lebanon Street, Hamilton, N. Y.

Up from Cape May for a Christmas furlough came **Lieut. Gaynor A. Wellings, U. S. N. R.**, who seems to be enjoying his assignment there. Gaynor appeared in fine fettle.

Congratulations to **Mr. and Mrs. Pat Colman** on the birth of their eleventh child.

**Gerry Coughlin** acted as toastmaster at the annual Varsity Club dinner this year. He was also chairman and thespian at the January gathering of the Clover Club, in the entertainment department. Many of his parodies of popular songs were sung with gusto and applause by the hundreds who attended the conclave of this august body.

From somewhere in the South Pacific comes word that **Lieut. Owen A. Gallagher, U. S. N. R.** has been placed in charge of an advanced air base. He sends his best regards to all of the crowd.

Congratulations to **Joe Crane**, who has been appointed a full-time professor at Northeastern Law School.

## 1924

**ANTHONY E. LE BLANC**

45 Maynard Street, Arlington

 **Ray Sullivan** is practicing law in Lawrence, with an office in the Bay State Building. Ray is the proud daddy of three girls and the family lives in Ipswich.

**Frank Chadbourne** has also recently removed to Ipswich with his wife and three children. He is currently employed at the General Electric in Lynn. One of the speakers at the recent dedication of the Hotel Bostonian was our own **Jim Grady**, who is assistant deputy administrator of the War Shipping Administration and is in charge of recruiting and manning. His headquarters are in the Commerce Building, Washington, D. C. Jim is married and has two children.

**Frank Ford** is now living in Hingham and is employed in the engineering

department of Fore River-Hingham Shipyards.

**George Hughes**, who, in peace time, is part-owner of Radio Station WOLF (no comments from the audience, please), in Syracuse, N. Y., is at the present time associated with the Department of Foreign Broadcasts of the OWI. His headquarters are in the Social Security Building, Washington, D. C. He is married and lives in Chevy Chase, Maryland.

**Frank Kilcoyne** is still on the teaching staff at Hunter College, New York City. Hope Frank doesn't get sea-sick with all those WAVES around him.

**Joe Rooney** has resigned as Assistant U. S. Attorney to enter private practice with Gaston, Snow, Rice & Boyd. Heard from **George Douglass** of Baldwin, L. I., recently. Here's the Douglass' war record: George (18), Cadet, Army Air Corps; Mary Patricia (17), A.W.V.S., Jr.; Robert (16), New York State Guard, and "Pop," Air Raid Warden. Mrs. Douglass (Mary Healy) is at home with Geraldine (10) and Richard (6).

**Capt. Stephen Little** is on duty in Boston.

**Mr. John McSwiney** is a captain in the Army.

**Lieut. Walter Conway, U.S.N.R.**, spent nineteen months on active duty in the Atlantic. He is stationed at San Pedro, Calif.

## 1925

**WILLIAM ARTHUR REILLY**  
14 Arborway, Jamaica Plain

**Phil Dillon**, who has been located in Albany, N. Y., since graduation, is now back in Boston again. He is living in Wellesley and has a civilian post in the Army, working out of the Park Square Building.

**Frank Glass** has recently been transferred to English High School, where he is now teaching.

With the re-establishment of basketball in the Boston Public Schools, it is interesting to note that two of the coaches assigned for this new sports activity are members of the Class of 1925, **John "Buzzer" Keane** and **Steve Patten** being the classmates named. Let's hope that their teams will rival the champion Cambridge Latin team coached by **Joe Kozlowski**. Readers of the Boston American have been interested in the interview with **Red Williams** of the Boston Red Sox, which has been running in serial form

under the authorship of **Herb Finne-gan**.

Remember, a year from June is our 20th anniversary of graduation. Better start trimming your whiskers and turning up the sun lamp on those rheumatic spots, because by that time we hope that the war will be over and we will want to have a gala celebration.

**WILLIAM J. CUNNINGHAM**  
40 Tennyson Street, West Roxbury

Got a letter from **Lieut. Al Leonard**, who is Assistant Personnel Affairs Officer at Maxwell Field, Ala. Al claims that he does everything but hear confessions on his job. The Leonards have a new son, John, born September 25.

Got a nice note from **John Dorsey**, with the A.E.F. School of Applied Tactics at Orlando, Fla. He followed up the note with a 'phone call when home on a short leave in January. He ran into **Jim Nagle** — pardon me, **Lieut. Nagle, A.A.F.** — down there somewhere, and they are trying to match leaves for a reunion in New Orleans.

Jim brought up Southie and reminds me of **Joe Hughes**, who is his usual chipper self. That paunch the Army took off is returning, to Joe's satisfaction. He is to do some refereeing in the newly-revived Boston High Schools Basketball League. Yours truly has been appointed coach of basketball at Roslindale High, to which I have been assigned after ten years at Dorchester High School for Boys. If any of you fellows remember me playing basketball at the Heights, you have some memories.

**Ted Drury's** family gave me some news about **Lieut.-Comdr. Ed Killian**. Ed die morried Ted's sister. Ed went back into the Navy about nine years ago. Was stationed on the carrier Enterprise. He was at Pearl Harbor when the war broke out. His wife and two children were also present. They returned in 1942 to this country to West Roxbury. All now are at Jacksonville, Fla., where Ed is Engineering Officer at the Naval Air Base.

51 Presentation Road, Brighton

Our sympathy is extended to the family of **Dr. Frank Merrick**. His death recently came as a shock to members of '27 and to those who had followed his career as a practising physician, and especially as assistant physician of the B. C. teams. Our pleasant memories of him can never be effaced.

The "Bostonian," a magazine published locally with a national circulation, has carried some of the writings of **George Keaney** of Lawrence High, who spent the summer in Mexico getting some inspiration as well as a rest. **"Ike" Tondorf** is still in the same old business at the same old place.

**Dr. Bob Welch** is one of the leading specialists in the Brockton area.

If you are down Louisiana way, drop in on **Gus Whalen** at Shreveport. Since he is in the oil business, he might be able to tank you up.

**Father Johnny Connors** is stationed at St. Catherine's in Somerville.

**Bill Cotter** and **George Horwood** are still teaching. Bill is in Chelsea and George is in Medford.

**Capt. Henry Deery**, when last heard from, was at the Watertown Arsenal. **Lieut. Steve Bridey** must have witnessed Coach Leahy's disappointment at the end of the season. Steve is stationed at Great Lakes Naval Train-

ing Station. Remember that touch-down in the last half-minute?

**Bill Cochran** is a busy barrister out in Natick.

The **Gillen** brothers report. Paul is on the home front in New Jersey, and Williams is with the Army in England.

To acknowledge a bit of correspondence from M. M. McArdle. It was a faux pas. On receipt of authentic photographs of the event I shall the better be able to illustrate my object apology.

The annual dinner was held at the Hotel Lenox during the Christmas holidays. Considering conditions, the attendance was surprisingly large.

**Father Harry Butler, S.J.**, made his first appearance and was heartily re-

ceived. He described his work with the Mission Band. **Father Dennis Sughree**, of the Order of the Holy Cross, now stationed near New Bedford, smilingly listened to ocidulous comment on a former football coach. **Nothoniel Hasenfus**, author of the forthcoming tome, "Athletics at Boston College," was assisted in expounding on the opus by three members of the bar, **Ed Lee**, **Harry Leen** and **Jahn Mahoney**. The three were stentorian in their praise. A number of subscriptions were obtained.

**President Buck**, who had left the room for a moment to confer with hotel officials, was overwhelmed when he returned to find that he had been re-elected by acclamation. His fellow officers, men of similar kidney, were also returned to their posts. **Treasurer Harry Kievenaar** outlined plans for presentation of the class gift on Alumni Day.

Attracted by college songs, members of older classes holding reunions at the hotel, visited the banquet room and expressed ill-concealed envy at the size and spirits of the gathering. **Bill McCann**, the Benziger textbook purveyor, must be leading in the class "family sweepstakes."
